

WHOLE PERSON — WHOLE WORLD

APRIL 25-27, 2014

Voss, Norway: 7 pm Friday to 1 pm Sunday

At Ole Bull folk music Academy

kr.850 incl. lunch

The seminar is about sustainable development of human beings and their world. Locally grown food, environmental protection, and questions about natural resources are well-known subjects. However, our world is built by people. What builds the human being? It is about discovering the sacred in life. It is about holistic living in a life-pattern of today.

- *Give your spirituality practical form*
- *Activate your inspiration*
- *Welcome the role of emotions in your life*
- *Manifest Love on earth*

David Karchere is a passionate and empowering teacher of practical spirituality. He is a writer, poet and spiritual director at Sunrise Ranch, a thriving conference and retreat center in Loveland, Colorado. He is the originator and developer of the practice of *Healing Chant* and director of the Attunement School at Sunrise Ranch. David teaches and facilitates *Crucible Work*, a process that frees the emotional body to resonate with high vibration. www.SunriseRanch.org

Ruth Buckingham—Originally trained in the theatre, Ruth's life has proved to be a spontaneous improvisation in living with integrity. Her role as one of the international Trustees of Emissaries of Divine Light brings responsibility for walking her talk, and leading by example.

Phil Richardson—As one of the seven Trustees of Emissaries of Divine Light, Phil provides leadership and spiritual education internationally. He has more than 35 years of commitment to his spiritual path and training in Spiritual Education, Attunement and Emotional Work. He and Ruth coordinate Emissary activities in South Africa and the UK.
